In case of default, Bank may employ and pay other agencies to amend and make good such defects and all expenses / damages / losses shall be recovered by Bank or may be deducted from any money due to the contractor including Retention Money.

TENDER REF NO. JKGB/GAD/ELECTRIFICATION/2023-24/848

DATED: 09.05.2023

- 18. Stacking of material:** The contractor shall not stack any of his material recklessly so as to endanger the safety of the building and cause any nuisance to the occupants and the public.
- 19. Extra charges:** It must be clearly understood that all the conditions of contracts are intended to be strictly enforced and that no extra charges in respect of extra work will be allowed unless they are clearly outside the spirit and meaning of the condition and unless such work shall have been ordered in writing.
- 20. Interpretation of documents / drawing:** Except where otherwise provided in the contract all questions and disputes relating to the meaning of the specifications, design drawings and instructions herein before mentioned and as to the quality of workmanship or materials used for the work or as to any other question, claim, right, matter or thing whatsoever, in any way arising out of or relating to the contract, designs, drawings specifications, estimates, instructions, orders or these conditions or otherwise concerning the works, or the execution or failure to execute the same whether arising during the progress of the work or after the completion or abandonment thereof shall be referred to the competent authority of the Bank whose decision shall be final and binding on the contractor.
- 21. Site cleaning:** All the rates quoted are inclusive of removal of rubbish / debris collected during the progress of work, rejected material and clearance of site (which mainly include cleaning of electric switches, boards, window panes etc) after the work is completed. If the contractor is failing to remove the same, the expenses incurred by the bank on removing the same shall be recovered from the contractor and he will not dispute for the expenses so incurred.
- 22. Price Fluctuation:** The rates quoted by the contractor shall remain fixed throughout the period of contract (including extension of time if any granted) and will not be subject to any fluctuation due to variation in the cost of material or labour.
- 23. Testing of materials:** If at any point of time during the work, if Bank desire to carry out the tests of certain materials, the contractor shall arrange for the same and submit the test report without charging any extra cost to the Bank.
- 24. Rates of non-tendered items:** The successful tenderer is bound to carry out any item of work necessary for the completion of the job even though such items are not included in schedule of quantities.
- 25. Abandonment of work:** If in any case the work is required to be abandoned, the contractor shall not be entitled for any claims and he will be paid as per the actual work done till that period.
- 26.** The Bank reserves the right to accept / reject any or all tenders in part or in whole without assigning any reason thereof.

TENDER REF NO. JKGB/GAD/ELECTRIFICATION/2023-24/848

DATED: 09.05.2023

- 27. Incomplete quotation:** Incomplete quotations shall be summarily rejected
- 28.** If at any point of time, it is observed that the contractor is not executing the work with due diligence, care and lagging much behind the schedule time or fails to gear up the work despite instructions from General Administrative Department, Head Office Jammu, Bank reserves the right to terminate the contract with 7 days notice. In such case, the contractor shall be liable to pay the Bank any extra cost involved for the completion of the said work and will not obstruct any way in completing the work through other agency. After completion of entire work the contractor shall be paid for the actual work executed by him after deducting any claims, damages.
- 29. First Aid:** The contractor shall be responsible for all first aid and he shall keep the site fully equipped to meet such emergency.
- 30. COMPLETENESS OF TENDER :** All sundry fittings, assemblies, accessories, hardware items, foundation bolts, termination lugs for electrical connections as required, and all other sundry items which are useful and necessary for proper assembly and efficient working of the various components of the work shall be deemed to have been included in the tender, whether such items are specifically mentioned in the tender documents or not.
- 31. PROVISIONS AGAINST ACCIDENTS AND SAFETY MEASURES**
- a) All safety rules and codes as applicable to work should be followed during execution of allotted work.
- b) All safety appliances and protective devices including hand gloves, aprons, helmets, shields, goggles, safety belts etc. shall be provided by Contractor for his personnel.
- c) The Contractor shall arrange to provide prominent display caution notices if access to any equipment / area is considered unsafe and hazardous.
- 32. TOOLS FOR HANDLING AND ERECTION :-** All tools and tackles required for handling of equipment and materials at site of work as well as for their assembly and erection and also necessary test instruments shall be the responsibility of the contractor.
- 33. CARE OF BUILDINGS :-** Care shall be taken by the contractor to avoid damage to the building during execution of his part of the work. He shall be responsible for repairing all damages and restoring the same to their original finish at his cost. He shall also remove at his cost all unwanted and waste materials arising out of his work from the site, from time to time.
